Parent Involvement Program (PIP) – Defined as active parent participation of **ALL FAMILIES** in our school by volunteering a minimum **20** hours for the year. For single parent families, a minimum of **10** hours for the year is required. One volunteer hour equals one (1) Parent Involvement Program (PIP) point. This program is a part of each family’s financial agreement with the school. If a family’s hours are not completed within the PIP year, or the fee is not paid, the child(ren) will not be registered for the next school year. Unearned PIP points for 8th grade will result in your child not participating in graduation activities. PIP hours are earned from March 1st through February 28th.

- **For every hour not completed after a minimum of five (5) hours worked, the cost will be \$25.00 per PIP hour paid prior to registration. The cost is \$50 per PIP hour if the minimum five hours have not been worked. Payment for unearned PIP hours will be due on or before registration for the following year.**
- **Single parent status is determined by the information provided during the EnrollMe registration process and legal documents provided to the office at the time of registration.**
